2 Read the emails quickly. Who lives in Australia?

From: Jack  
To: HarryP@mail.com  
Subject: New home

Hi, Harry!

How are things in Sydney? Is it warm and sunny there? It's winter vacation now, and it's very cold and wet here in Canada. That's nothing new! December isn't my favorite month. There's some soccer on TV, but there are a lot of shows about cooking and people dancing. There's a new café in town, but it's between a museum and the library. There are always a lot of old ladies in it – no young people.

I'm bored! Please email and tell me about Australia.

Jack

Hi, Jack!

Thanks for your email. I love it here. It's vacation time here, too, but we're still in Sydney. And yes, it's very hot and sunny. There are some great beaches and lots of things to do. Our apartment isn't in the center of town; it's across from the beach! Sydney is fantastic. There are great movie theaters and museums, parks and, of course, Sydney Harbour Bridge and the famous Opera House. The bridge is beautiful, but opera isn't my favorite music. There are lots of great places to eat and some really cool cafés. My mom loves all the malls.

Next email, all about my new school!!!!

Harry
